

# "I Don't Care!" said Claire

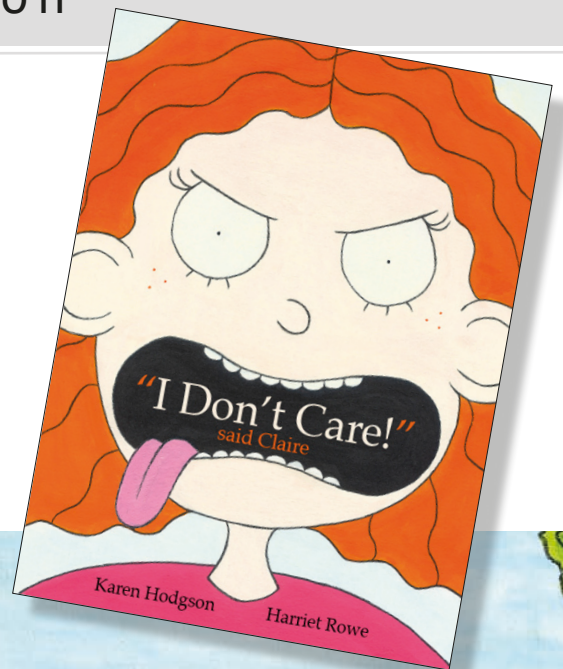

## Advance Information

Claire knows best. She never does as she is told. She doesn't wash behind her ears, she tells lies and she watches too much telly.

What will become of her?

Watch Claire transform as potatoes appear behind her ears; her nose grows; her eyes turn square and her hair loses its curls. But Claire doesn't care, until ...

... she ignores one final warning!

Karen Hodgson lives in south-east England. "*I Don't Care,*" *said Claire* is Karen's fifth picture book following *The Robot Who Couldn't Cry*, *Hugh's Blue Day*, *The Teeny Weeny Walking Stick* and *The King Who Wanted More*.

Harriet Rowe is a graduate from Falmouth University and lives in London. This is her first children's picture book.
